Each year the Royal Rangers leaders and boys alike are asked to pay a membership (registration) fee, known as the **“Charter Fee”** which is \$25.00. The Charter Fee will cover your son through August 2010. This fee was last collected in the month of March, 2008. However with the changes in the ministry at the National level we are collecting the fees in accordance to most school calendar years. This money is used to support Royal Rangers at the local, state and national levels. Being in **Royal Rangers** at Destiny Church **is an elective** for your son and **does require being chartered, wearing a uniform, and participating in the program** much like being apart of youth football or baseball etc. **All Charter fees will be due by September 16, 2009.** The Charter Fee will allow your son to have an official membership card, and to go on campouts and field days without paying a higher rate.
